

Glucose Monitoring Should Test Your Blood. Not Your Patience!

The Diabetes Care Plan is dedicated to help people manage their diabetes more effectively. This easy-to-use, no cost service will deliver your diabetes supplies directly to your home. No claim forms to send to the insurance company. No lines to wait in at the pharmacy.

Diabetes Care Plan Members Receive

- **Quarterly Diabetes Education**—Education sent with every shipment of supplies.
- **Meter Upgrades**—Receive a new meter upgrade when you enroll.
- **Home delivery**—90 days of diabetic supplies delivered direct to your home at no cost.
- **No Insurance Forms**—Diabetes Care Plan completes and processes all of those confusing claim forms.
- **No Up-Front Costs**—You pay nothing up-front for your supplies.
- **Experts Available**—The Diabetes Care Plan Team is made of experts in the diabetes field, Educators and dieticians are available for consultation.

Simple • Quick • Convenient.
